ORDER:

The Surgeon-General and the Commissioner Corporation of Madras have represented to Government that the orders in G.O. No. 1310 P.H. dated the 8th May 1944 under which the prior administrative sanction of the District Magistrates or the Collector of Madras, a s the case may be, should be obtained before launching prosecutions for adulteration under the Madras Prevention of Adulteration Act against Co-operative Milk ~~Supply~~ Societies and unions stand in the way of proper administration of the Act and that there are considerable delays and difficulties in obtaining such sanction. The Government have carefully considered the representations made for and against the continuance of the protection given to the co-operative milk societies and unions under the G.O. cited above and have decided that no special favour need be shown to the societies and unions in the matter of prosecution for sale of adulterated food stuffs. They accordingly cancel, with effect from the date of this order, the orders passed in G.O. No. 1310 P.H. dated the 8th May 1944.
